

**Candidate name:**

Why I want to be elected as a Youth Councillor:

(Think about your values and skills, why would electing you be best for your school and community?)

My three priority areas are:

(Think to yourself - What are the issues in my school or year group that need sorting out, this may be related to issues such as race and equality, harassment, bullying or exam stress. Alternatively, your priorities may be related to your local communities, e.g. more leisure activities, public transport, you may even want to improve mental health services for young people.)
