

BSW CCG Guidance on PPE:

Social care should have had a stock of PPE delivered, including; Fluid resistant surgical face masks, plastic aprons and gloves.

- You should order PPE **from your usual suppliers**.
- **If** your normal supply route is **not** through NHS Supply Chain **and** if you have **immediate concerns** over your supply of PPE contact the dedicated line for, the health and social care sector:
- **If you continue to have problems obtaining PPE please continue to escalate to BSW ICC**
- Push model for PPE may be coming however we are awaiting clarification on this.
- Liaise with other services to try and obtain some PPE

If your usual supplier is low on stock, **for any reason** the following suppliers can be contacted, who either have or will be receiving PPE stock shortly:

Careshop - coronavirus@careshop.co.uk

Blueleaf Care - 03300 552288 emergencystock@blueleafcare.com (Send email first)

Delivernet - 01756 70 60 50 kevin.newhouse@delivernet.co.uk

Countrywide Healthcare - 01226 719090 enquiries@countrywidehealthcare.co.uk

The CCG will continue to escalate the need to get PPE delivered to the three Local Authorities within BSW to enable supplies to then be distributed to the care providers.
